Q & A from email blast answered by Breckon Pennell

1.) Question regarding the cleanliness of bathrooms

A: Bathrooms are cleaned multiple times per day with picking up things and/or messes

Graffiti gets cleaned, Painted every Summer. Clean w/ Magic Eraser. Some graffiti scraped into Plastic and can't be removed.

(A joint effort on keeping the property clean would be so helpful as far as throwing appropriate

items into the appropriate receptacles and really being proactive in keeping the bathrooms clean and to feel a sense of responsibility in taking care of school property.)

2). Cafeteria rules and guidelines:

There are enough seats for every student to sit in the cafeteria. There are no assigned seats because of the amount of students in the cafeteria at their lunchtime.

Minimum of 3 adults in the cafeteria. Mike and 2 others will rotate.

Dismissal by tables because they have to clean each one.

Have to have one seat per student / no sharing seats

Rare to have food throwing incidents

Not supposed to share food.

Can get through the lunch line in plenty of time

Proposing 30 minutes for lunch

Lately, some specific supervision is needed as incidents of desserts being hidden under trays and not being paid for is a current problem.
